Where the word 'Parent' is used in this document it refers to all those with parental responsibility, including guardians and carers.

## 1. Policy aims and objectives

This policy aims to ensure that Highlees and Eyrescroft Primary are effective in ensuring all members of the school community are aware of the uniform requirements.

The objectives of this policy are:

- To clarify the benefit of having a school uniform as to provide a safe and secure environment, reducing opportunities for bullying or peer pressure to wear the latest fashions or other more expensive clothing
- To evidence regard for our obligations under the Human Rights Act 1998 and the Equality Act 2010, thereby ensuring that this policy is as inclusive as possible
- To ensure that the total cost of the school uniform, taking into account all items of uniform or clothing parents will need to provide while their child is at the school and including items in their PE kit, is reasonable and secures the best value for money for parents

## 2. Human rights, equality and discrimination

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics; which include sex, religion or belief, race (including colour, nationality, ethnicity or national origin), disability and gender reassignment.

This policy aims to be as inclusive as possible taking into consideration the protected characteristics of all pupils within the school community. By doing this the school is fulfilling its obligation not to unlawfully discriminate.

As a school, we are therefore sensitive to the requirements of specific items of dress code required by religious beliefs. We recognise that pupils have the right to manifest a religion or belief, but not necessarily at all times, places or in a particular manner. We will, at all times, act reasonably in accommodating such needs, without compromising important Trust or school policies, such as school safety or discipline.

### 3. Responsibilities and Roles

The Trust will:

- Ensure this policy meets obligations under the Human Rights Act 1998 and the Equality Act 2010
- Demonstrate consideration to cost of uniforms and value for money through this policy
- Ensure that schools meet the statutory requirements in regard to second-hand uniform provision

The Principal and staff will:

- Ensure the implementation of this policy, supporting the wellbeing, safety and comfort of all pupils
- Assess the overall cost implications of this policy and assess any impact of variations or changes to the uniform, avoiding frequent changes to the uniform requirements; this may include engaging with uniform suppliers to ensure value for money
- Ensure this policy, and information regarding the availability of second-hand uniform, is available on the school website for parents

Parents will:

- Ensure their child wears the appropriate school uniform smartly and correctly
- Approach the school if they have concerns about the uniform or acquiring uniform, particularly in relation to protected characteristics or cost of the uniform

Pupils will:

- Ensure they are wearing the appropriate and correct uniform whilst in school and being transported to and from school and on school trips
- Take pride in their appearance and take an ambassadorial role for the school

### 4. Ensuring Value for Money

The government statutory guidance is [here](#).

We will ensure that our uniform is available at a reasonable cost and secures the best value for money for parents.

## 5. Uniform Requirements

- Compulsory uniform  
Sweatshirt , cardigan or jumper of school identified colour  
Polo shirt of school identified colour  
Grey trousers, skirt , pinafore  
Suitable shoes for outdoor play which can be trainers ( velcro for younger children if possible)
- Optional uniform list  
Summer dresses of chosen colour
- PE kit  
Dark tracksuit bottoms, shorts or leggings  
Plain coloured tshirt  
Plimsolls

All uniform items can be bought from local supermarket stores allowing for best value for money to suit individual families.

## 6. Provision of second-hand uniforms

To ensure that all parents and carers are able to provide the required uniform second-hand uniforms will be made available by the school.

As a school, we ensure second-hand uniforms are available to purchase through the collection of unwanted uniforms at the end of each term. Second-hand uniform is kept as spare for emergencies; resold by PTA; and donated to families in need

Please contact the school if you are struggling with the costs of uniform.

## 7. Pupil non-compliance

So as to avoid indirect discrimination reasonable adjustments will be made, as appropriate, for pupils with a protected characteristic. This should be discussed directly with the school in the first instance and careful consideration given to any such request.

## 8. Concerns relating to this policy

Concerns about uniforms should be resolved locally and in accordance with the Trust [Concerns and Complaints Policy](#).
