

Highlees Parent Code of Conduct

To provide our children with the best education and care, please work in partnership with school staff. We can achieve more together!

- Please respect our school ethos whenever on school premises or communicating with our school.
- Please respect everyone within our school community; do not use loud or offensive language; physical aggression; or threatening behaviour towards any child or adult.
- Please help keep our school safe and secure by only entering school through the school office, and always signing in.
- If you have any concerns regarding your child at all. Please speak with your child's class teacher.
- Approaching someone else's child in order to discuss the actions of the child towards your own is not acceptable; please always speak to your child's class teacher.
- Please be careful when using SocialMedia: Think before you post! The online safety of our children is important, so please do not post pictures or comments about other peoples' children or the staff working at Highlees. Please report any concerns to the school office.
- Highlees is a non-smoking school. Smoking and/or vaping is not permitted.
- To keep our school grounds safe for the children, please do not cycle whilst on school premises.
- Please do not bring dogs onto the school grounds, except for guide dogs.
- When dropping off and collecting your children, please park with consideration, not on pavements/grass verges or in front of peoples garage/driveways or the school gate. This is dangerous and will be reported.
- Please ensure anyone who enters school grounds on your behalf is aware of this code of conduct.

Thank you for your support.

This document was written with the help of parents, to help keep our school peaceful and safe for everyone.

Failure to follow these guidelines could result in you being banned from school premises. We are currently working with Peterborough Police to ensure our community and school is safe and to make sure that our parents, staff and most importantly children, feel safe within our school community.
