HAPPY HOLIDAYS

This half term has absolutely flown by! It has been full of such wonderful events and activities from trips and concerts to sports day and the leavers assembly. As always the children have made us very proud.

I wish you all a wonderful summer holiday full of fun and smiles. We look forward to seeing all the children back in September, safe and sound and ready for a new year of adventures.

Wishing all the year 6 children the best of luck as they move on to secondary school!

GOODBYE STAFF

Unfortunately both Mrs McGregor and Miss Tsang are leaving us at the end of this term. We would like to thank them for all their hard work whilst at Eyrescroft and wish them both luck with their exciting new adventures. Thank you and Goodbye!

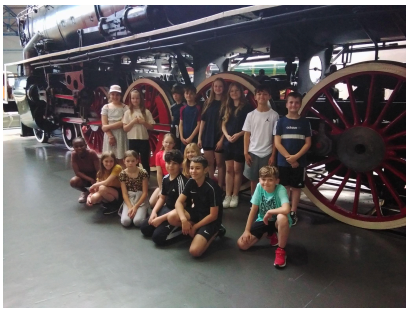

GOODBYE YEAR 6!

This term we say goodbye to our wonderful Year 6 children. Some of them have been with us for the past seven years and will have lots of memories of their time here. Others have joined us very recently and have settled in really quickly, making new friends. We wish all of them the best of luck in their new schools. All of them are ready to move on to the next stage of their learning and the new opportunities and friends this will bring them. Well done, Year 6, for all of your hard work. We wish you all the best at your secondary schools and every success for the future.

YEAR 6 TRIP TO YORK

Our Year 6 children, who visited York, had a great time. We had a very busy few days, exploring the Viking origins of the city at The Jorvik Viking Centre and The Dig; visiting the Minster and the Railway Museum; enjoying a boat trip on the River Ouse; shopping and walking (lots of walking!) around the city walls. Everyone enjoyed the different activities and the opportunity to experience life in a different setting for a few days. The children made us proud and represented the school exceptionally well.

YEAR 2 HUNSTANTON

Year 2 had a fantastic time at the seaside. The children thoroughly enjoyed playing in the sand, making sandcastles and splashing their feet in the cool, salty water. Using the fishing nets, they explored the rock pools and found a lot of jellyfish, seaweed and a few tiny crabs. The highlight of the trip was eating delicious ice cream at the end of the sunny day.

YEAR 3 HAMERTON ZOO

Year 3 had a wonderful time at Hamerton Zoo, seeing and finding out about all the animals there. They were particularly enthralled to see the "White Tiger" and to this day still speak of it. It was great to see all the children so enthusiastic and keen to learn about different creatures in the workshop that they attended. They all ended the day with lots of fun in the play area and behaved beautifully. Year 3 made us proud!

YEAR 5 ROYAL OPERA HOUSE

Year 5 have been working on a Create and Sing project this summer term linking to 'The Magic Flute'. Year 5 travelled to London to participate in a wonderful experience at the Royal Opera House where they sang along to songs from 'The Magic Flute' with other schools across the Elliot Foundation Academies Trust. It was amazing and the children loved it!

SPORTS DAY

Sports Day was a huge success for all at Eyrescroft Primary School with pupils in Years 1-6 participating in a variety of different activities throughout the day, including dance, archery, track, throwing and team games such as tug of war and an assault course. EYFS thoroughly enjoyed a carousel of seven different box games in a fun filled day.

The children showed tremendous determination and sportsmanship throughout the day with so many happy faces everyone was a winner.

SUMMER READING CHALLENGE

Local libraries will be launching their summer reading challenge on Saturday July 8th. When you visit the library, you can pick up a collector's folder and the aim is to read at least 6 books over the summer holidays. Each time you return a completed book, you will receive a sticker. If you complete the challenge successfully, you get a certificate, bookmark and book to keep. The aim of the project is to encourage children to keep reading through the holidays, avoiding a dip in their reading level when they return to school in September. Visit your local library for more information.

DATES FOR YOUR DIARY

19th July - Last day of the Summer Term

1st Sept - Professional Training Day (school closed)

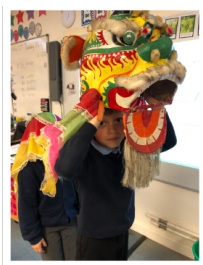

4th Sept - Autumn Term begins

23rd -27th Oct - Half Term
