

## CLASS NOTICES

### **Reading**

Your child will be given a colour banded book to read at home with an adult. When your child has read their book, the adult needs to write a comment in their reading record book. Please encourage your child to read at home every day for at least 10 minutes. Adults in school will read with your child weekly. When your child has finished reading their book more than once, it will be their responsibility to change it for a new one.

### **PE**

Our PE days are every Monday and Friday. PE kit must be worn to school this day. PE kit is either black shorts, trousers or leggings and a white t-shirt. Children may also want to wear a jumper, as these lessons may be outside. If your child wears earrings, these need to be removed on these days and all other costume jewellery must not be worn.

### **PSHE**

Our unit for this term is called *Celebrating Difference*. We will be discussing stereotypes, bullying, standing up for themselves and others and gender diversity.

### **Homework**

Each Wednesday we will send out a homework task. Homework will be due in on the following Monday.

# Class Curriculum Information

*Bringing out the Best*

**Year Two**

**Mrs Freeman (Olive Class) &  
Miss Thurley (Oak Class)**

**Autumn Term 2  
2025/2026**

**MATERIALS**

## ENRICHMENT AREAS OF LEARNING

<p><b>English</b></p> 	<p>Our key texts for this term are; The Day the Crayons Quit and Tasty Poems. We will be using drama techniques to help the children develop their vocabulary for writing. We will be writing a letter and a poem.</p>
<p><b>Maths</b></p> 	<p>We will be working on addition, subtraction and the properties of 2D and 3D shapes. We will continue practising our counting forwards and backwards. As well as writing numbers as words and forming numbers correctly.</p>
<p><b>Science</b></p> 	<p>We will be identifying and comparing the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses. We will also be finding out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.</p>
<p><b>Computing</b></p> 	<p>Develop our understanding of instructions in sequences and the use of logical reasoning to predict outcomes. Children will be given commands in different orders and investigate how the order will affect the outcome using Bee-Bots.</p>
<p><b>R.E</b></p> 	<p>In RE, we will focus on this enquiry question: Why do Christians believe God gave Jesus to the world?</p>

## ENRICHMENT AREAS OF LEARNING

<p><b>MUSIC</b></p> 	<p>Your child will be learning and performing the song Ho Ho Ho as a class. Whilst learning the song, your child will learn different dimensions of music such as pulse, rhythm, and pitch. The children will learn through musical activities how to understand interrelated dimensions of music.</p>
<p><b>Art</b></p> 	<p>Our art topic this term is called Explore &amp; Draw. We will introduce the idea that artists can be collectors and explorers as they develop their drawing and composition skills. The key concepts we will learn are: That artists explore the world, seeing things around them in new ways, and bring things back to their studios to help them make their art. That we can use the things we find to draw from, using close observational looking. That we can explore and use art materials and be inventive with how we use them.</p>
<p><b>P.E.</b></p> 	<p>Our PE lessons this term will focus on net wall by playing a game called four square. We will be learning to use the ready position to defend our space on the court, to return a ball with our hands, playing against a partner to send and receive a ball and developing hitting into a zone.</p>
