

CLASS NOTICES

Reading

Your child will be given a colour banded book to read at home with an adult. When your child has read their book, the adult needs to write a comment in their reading record book. Please encourage your child to read at home every day for at least 10 minutes. Adults in school will read with your child weekly. When your child has finished reading their book more than once, it will be their responsibility to change it for a new one.

PE

Our PE days are every Monday and Friday. PE kit must be worn to school this day. PE kit is either black shorts, trousers or leggings and a white t-shirt. Children may also want to wear a jumper, as these lessons may be outside. If your child wears earrings, these need to be removed on these days and all other costume jewellery must not be worn.

PSHE

Our unit for this term is called 'Dreams and Goals'. We will be looking at goals to success, our learning strengths, how we learn with others and how we can help others achieve their learning goals.

Homework

Each Wednesday we will send out a homework task. Homework will be due in on the following Monday.

ENRICHMENT AREAS OF LEARNING

<p>English</p> 	<p>In English, our texts for this term are <i>The Elves and the Shoemaker</i> by Jim LaMarche and <i>The Detective Dog</i> by Julia Donaldson. Our focus is to entertain and to inform. We'll be using a range of drama for writing techniques to help us with our writing.</p>
<p>Maths</p> 	<p>In Maths, we will be counting money in pence and pounds, making the same amount of money using different coins and comparing amounts of money. We will also be learning about multiplication sentences using the x symbol, using arrays and making doubles. Furthermore, we will be learning our 2, 5 and 10 times tables. Additionally, we will be learning about division with a focus on dividing amounts into 2, 5 and 10 groups.</p>
<p>Science</p> 	<p>Our unit this term is <i>Animals, Including Humans - 1 Growth</i>. We will be learning that animals, including humans, have offspring which grow into adults. We will find out about and describe the basic needs of animals, including humans, for survival (water, food and air) and we will describe the importance for humans to exercise, eat the right amounts of different types of food, and learn about hygiene.</p>
<p>Computing</p> 	<p>In Computing, we will be concentrating on internet safety, online identity and understanding that any information put on social media is permanent.</p>
<p>R. E.</p> 	<p>Enquiry question: How important is it to Christians that Jesus came back to life after His Crucifixion? This enquiry addresses the Christian concept of salvation.</p>

ENRICHMENT AREAS OF LEARNING

<p>Geography</p> 	<p>Our unit this term is all about comparing localities. We will be learning about the geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom (England) and a contrasting non-European country (Jamaica).</p>
<p>History</p> 	<p>Local History study - Edith Cavell and Mary Seacole What was nursing like in the past? We will be finding out about Mary Seacole and Edith Cavell, comparing how they helped others and why they are celebrated today.</p>
<p>Music</p> 	<p><i>I Wanna Play In A Band</i> is a Rock song written especially for children. In this song the children will learn about singing and playing together in an ensemble. As well as learning to sing, play, improvise and compose with this song, the children will listen and appraise classic Rock songs.</p>
<p>DT</p> 	<p>Our unit is <i>Cooking & Nutrition Balanced Diet</i>, we will be exploring what's healthy to eat and why a balanced diet is so important. We will look at different recipes and design and make our own healthy wraps.</p>
<p>P. E.</p> 	<p>In Dance, pupils will explore different actions using the space around them. They will explore how their body can move to express an idea, mood, character or feeling. They will expand their knowledge of travelling actions and use them in relation to music. Pupils will also be exploring dynamics e.g. speed and flow.</p>
