

## CLASS NOTICES

### Reading

Children need to read for at least ten minutes every day in order to help them improve their fluency of reading. The children will be responsible for changing their reading books when they complete the book they have read. **Please can parents sign the reading record to say you have heard your child read at least once a week.**

### PE

PE will take place on **Mondays for Palm class (swimming) and Tuesdays for Chestnut class.** Children need to come to school in their PE kit of black shorts or trousers, plain, white t-shirt, plain black/dark jumper or hoodie and black trainers or plimsolls. They will also need their coat for playtime and lunchtimes when they are outside.

### Homework

Homework will go home on **Friday** and needs to be **returned by Wednesday.** It is also important that children continue to learn their times tables up to  $12 \times 12$  so they are ready for the multiplication check. Please support your child to practise multiplication tables on TTRockstars.

If you have any questions about the homework, please talk to us and we will be happy to help.

Thank you for your continued support.

Miss Hills & Mrs Palmer

# Class Curriculum Information

*Bringing out the Best*

**Year Four  
Spring Term 1  
2025/2026**

**MOUNTAINS**

## CLASS NOTICES

<p><b>English</b></p> 	<p>In English, we will be focusing on summarising and explaining answers based on the text, King of the Cloud Forests by Michael Morpurgo. We will be writing a mystery narrative using Drama for Writing to help build up our vocabulary choices and aid our learning.</p>
<p><b>Maths</b></p> 	<p>In Maths, we will be learning to multiply and divide by 10 and 100 and to multiply and divide 2 and 3-digit numbers by a 1-digit number. We will also be learning to measure and recognise equivalent lengths. We will find the perimeter of rectangles, rectilinear shapes and polygons.</p>
<p><b>Science</b></p> 	<p>During the term, the children will be learning about sound. We will learn how sound is made and travels. We will recognise that sounds get fainter as the distance from the sound source increases.</p>
<p><b>Computing</b></p> 	<p>In Computing, we will be identifying how to stay safe when online. We will learn how to be respectful to others online and recognising healthy and unhealthy online behaviours.</p>
<p><b>R.E.</b></p> 	<p>In RE, we will be learning about Buddhism. We will be thinking about the question 'Is it possible for everyone to be happy?'</p>

## ENRICHMENT AREAS OF LEARNING

<p><b>Geography and History</b></p> 	<p>We will be using maps to locate countries from all around the world, looking at their physical and human characteristics and environmental regions. We will identify features of a mountain range and use a range of resources to learn what contour lines and tectonic plates are.</p>
<p><b>PSHE</b></p> 	<p>In PSHE, we will be looking at Dreams and Goals. We will be recognising our hopes and dreams. We will learn how to cope with disappointment and how to help others cope with theirs.</p>
<p><b>DT/Art</b></p> 	<p>We will be designing and making a structure suitable for a dwelling on a mountain side. We will create and decorate our structures. We will evaluate the effectiveness of our constructions.</p>
<p><b>P.E.</b></p> 	<p>We have a Sports Coach helping us with PE on Tuesdays and he will be focusing on dance and gymnastics (Chestnut class). On Mondays, Palm class will be learning to swim with qualified swimming instructors.</p>
<p><b>SPANISH</b></p> 	<p>In Spanish we will name and identify types of weather in Spanish. We will compose and perform weather forecast script.</p>
