These dates could be subject to some changes. These will be posted on the School Website.

- Eyrescroft Primary School strongly discourages any term time absences. Holidays should be taken during the school holiday period only and not in school time. If this is unavoidable please contact the school office to make an appointment to discuss this with the Head of School.
- If your child has to attend an appointment in school hours, eg, doctor, dentist or hospital, the school must be informed.
- **If your child is absent you must notify the school office by 9.30am on the day of absence.**
